

The Green Ambassador Program

Official Agenda

Sustainability Office, St. Lucia

Agenda for Environmental Council Meeting 37

Date/Time	4/4/2022, 10am		
Duration	1hr		
Venue	Global Change Institute room 371 & via Zoom		

Item	Description
1.	Apologies & Previous Minutes
2.	Intro to Christine from Sustainability Office involved in waste avoidance, waste engagement, and the community gardens
3.	How did Clean Up Aus Day go? (Sophie) a successful event with 40 people in attendance and 16 wheely bins filled. Photos from the day to be posted in drive
4.	STARS reporting check-in Members are encouraged to skim through the report and add any thoughts, will be finalised by the 11 th . We are hopeful the rating will be upgraded to gold.
5.	Earth day event ideas (Cass) GAP could host an in person workshop of a UN online course, which run for approx. 45 min. Topics involve climate change finance with the theme being 'invest in our planet'. Course link is in events planner folder on drive We could potentially collab with a finance society, Most ideal time to host the event would be in week following Earth Day (week 8) to avoid mid sem break
6.	Update on UQLife movie collab (Cass) Due to UQ life changing how they run we will probably not be able to host a movie on great court Instead, we could book a Steele building lecture theatre, UQLife may not be able to finance popcorn so to compromise we could buy popcorn and UQ life could help promote Ideal event time could be early in week 9, Further actions required involves brainstorming a movie idea from the site, Kanopy, to post on FB page for followers to vote the winner
7.	Marine soc (coralwatch) x GAP collab

Memorandum

	<p>As a part of sustainability week, we could do a workshop seminar with an expert from coralwatch. It would involve discussing endangered status and bleaching events online, and in person have a coral bleaching workshop.</p> <p>The document can be reviewed in events planner folder</p>
8.	<p>National environment days event brainstorming</p> <p>Document of national environment days are available in the drive</p> <p>Ideas involve posting on social media for the days</p> <p>We could potentially plan an event for world bee day- 20th august, week4</p>
9.	<p>Conference attendance</p> <p>There is one conference in May and another later in the year, which is more America centralised</p> <p>We can pay a couple hundred dollars for members to attend</p> <p>The webinar for ACTS would be an opportunity to discuss GAP with thousands of people</p>
10.	<p>Neil's crossword as a mini event in the fb group</p> <p>Keep-cup could be presented as a prize , with winners being chosen from comments</p>
11.	<p>GAP becoming SDSN hub update</p> <p>Info in SDG manager folder</p> <p>New hubs are taken in May/June,</p> <p>Currently waiting for update</p>
12.	<p>Advertising the Sustainability Award</p> <p>Information is available in the student resource management folder,</p> <p>There could be a bingo to promote the award</p>
13.	<p>Upcoming events: next bushcare, oceanic thinking blue carbon event</p> <ul style="list-style-type: none"> - Next bushcare on 1st May - FB event created for oceanic thinking blue carbon event - herb garden workshop coming up
14.	<p>Next Meeting Details & Adjournment</p>
