| 2.   | Event planner applications  
- new events planner elected- Kimberley! |
| 3.   | SDSN hub application update  
- the application was accepted  
- Jayana will be attending the training modules in the next few weeks to learn about the role |
| 4.   | Sustainability walk (sustainability week)  
- a walk has been decided on to create a more entertaining event instead of a Zoom event  
- Warren will be attending to cover the energy side of sustainability on campus. He focuses on recording Scope 3 emissions and will provide an interesting perspective on the walk.  
- the topics being covered on the walk are on a document on the drive |
| 5.   | Coralwatch event (sustainability week)  
- event with Coralwatch and Marine Society  
- GAP will be organising catering, with mostly vegan options provided  
- the event will likely be held in the GCI  
- it will be held on Wednesday next week |
| 6.   | SUN Greens event (sustainability fortnight)  
- event with the UQ Greens Club and the Greens MP, in the form of a webinar  
- planning meeting tonight at 8pm  
- material has been approved |
| 7.   | SUN networking event (sustainability fortnight)  
- a 'how did you get your job' networking event  
- research and PhD students, a 'professional activist', someone in a corporate role, and someone in higher education should be in attendance  
- moderators for the event online will be required |
| 8.   | Email about courses being cancelled  
- one of the lecturers that responded to GAP’s request  
- there were two courses that he coordinated were cancelled |
- the lecturer reached out to GAP to request help for reinstating these courses as he believed they were beneficial for those interested in sustainability

9. GAP article on the drive
   - annual GAP article is in the process of being created
   - collaboration is encouraged to get a variety of perspectives

10. Engineers without borders
    - Engineers without borders is asking for help with their repair cafe
    - no major skill level is required to help out
    - the next workshop is on 12th August

11. Event related to indigenous knowledge for NAIDOC
    - a cultural heritage walk event on campus could be an event to organise

12. To do's for sustainability week and before next meeting
