

ENVIRONMENTAL INCIDENT FORM

PF622

All individuals have a duty to notify of environmental harm under the *Environmental Protection Act 1994*. Use this form to report an incident that may have or threatens to cause environmental harm on University of Queensland premises.

- For incidents requiring urgent assistance or response, contact Security on 336 **53333**.
- Incidents causing material or serious environmental harm must be reported immediately.
- Return completed form to Manager Sustainability, Property & Facilities Division.
