

# 1. Purpose and Objectives

This procedure supports the [University of Queensland Chemical Waste Operating Procedure](#) and applies to the collection of chemical waste at the **Gatton** campus.

# 2. Definitions, Terms, Acronyms

**Chemical Waste** – Any waste generated from the use of chemicals in medical, dental, veterinary and laboratory procedures that has the potential to pose a chemical threat to health, safety and/or the environment, or is chemically hazardous.

# 3. Procedures Scope/Coverage

This procedure applies to all staff and students involved in the generation of chemical waste and/or the collection, transport, storage and disposal of chemical wastes at the Gatton campus.

# 4. Procedures Statement

This procedure provides site specific work instructions for the collection of chemical wastes, including collection/delivery times and areas, specific to the Gatton campus. Other related details specific to the Gatton campus are also outlined in this procedure.

# 5. Collection of Chemical Waste

## 5.1 Collection Times

Chemical waste is collected **every Thursday** from the Gatton campus.

If you generate large volumes of waste, additional pick-ups may be arranged by contacting the Chemical Store: [chemwaste@uq.edu.au](mailto:chemwaste@uq.edu.au).

## 5.1 Collection/Delivery Areas

Waste containers will be collected from the following locations as soon as practicable after request:

- **Chemical Store 8108**
- **Vet Science Building 8114**
- **Building 8106**

Empty waste containers and labels ordered through the Chemical Store will also be delivered to the above areas for pick-up by those who have requested them.

## 6. Contacts

Refer to the University Chemical Store website to request chemical waste containers and labels:

**<http://www.science.uq.edu.au/facilities/content/uq-science-store>**.

Ensure you have an up to date profile before you submit your request. Enter the waste details in the 'comments' field if you cannot select the substance from the list. Further advice on using the online Chemical Store is available via the *Guidelines for Clients* link, once you have logged in.

For queries and assistance, please email [chemwaste@uq.edu.au](mailto:chemwaste@uq.edu.au).
