

Gatton campus Green Waste Work Instruction

1. Work Instruction Scope

This work instruction supports the University of Queensland Green Waste Operating Procedure and applies to the Gatton campus, excluding wastes generated by farm/agricultural activities.

2. Collection and storage

Green waste is collected by the Property and Facilities Division - Grounds staff and is stored in the Division's Biomass Recycling Compound, Gatton campus before mulching or disposal as appropriate.

3. Contacts

Any enquiries regarding the management of the Green waste stream shall be addressed to personnel as follows:

Activity	Area	Contact	Telephone
Grounds Maintenance	Property and Facilities Division	Gatton Supervisor Grounds	(07) 5460 1435 (Ext: 50435)
Glasshouses/ Laboratories	Schools/Centres as appropriate	Technical Officer of appropriate school/centre	Refer to telephone directory
