

St Lucia campus Animal Waste Work Instruction

1. Work Instruction Scope

This work instruction supports the University of Queensland Animal Waste Operating Procedure and applies to the St Lucia campus.

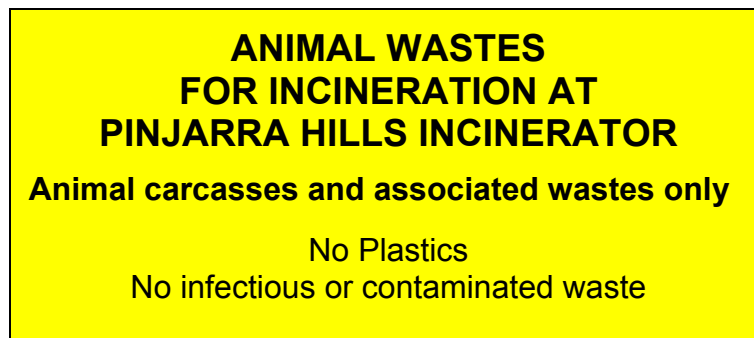

2. Collection for disposal

2.1 *Bins and Stickers*

- Bins and stickers can be obtained by emailing clean@pf.uq.edu.au
- The stickers must be intact and in good condition to prevent any confusion.

2.2 *Animal Carcasses*

- Where possible, all animal carcasses will be placed in **blue 240 litre wheelie bins** marked with the Animal Waste for Incineration sticker as shown below:
- Contact Incinerator Operators for disposal of large carcasses.

2.3 *Animal litter, foodstuffs and faeces*

All animal litter, foodstuffs and faeces will be placed in **blue 240 litre bins with grey lids** marked with the Animal Waste for Composting sticker as shown.

2.4 Collection Times

- Animal waste is collected by the Pinjarra Hills Incinerator Operators Monday to Friday.
- The School shall take the blue 240 litre bins to the collection point in their area by 9.15am weekdays.
- Empty replacement bins will be left in place of the bins left out.
